Love List

Eskimo Joe

How can we list, can we list our love? How about in alphabetical order?

You say yes and then you correct me I think it might get messy I'm going to have to drunkenly, confess to you That you drive me crazy And you know it's true And yeah, maybe I might have to kiss you

How can we list, can we list our love? How about in alphabetical order?

I know it's just your way of complaining That all boys are no good And I'm just pretending, that I'm a sucker for you Please believe me I'm here for you And yeah, maybe I might have to kiss you

How can we list, can we list our love? How about in alphabetical order?

How can we list, can we list our love? How about in alphabetical order?
