

# The Sound Of Your Heart

Eskimo Joe

I love the sound of your heart (7x)

I can't believe that you're angry with me  
Oh the shades come down to expose your frown  
An the silence tears us apart

And I said to myself  
This must be bad for my health  
Oh my heart it strains when it says your name  
But it's not open to anyone else  
No it's not open to anyone else

If I fall down at your feet  
Would you still walk out on me  
If I fall down at your feet

I love the sound of your heart  
I love the sound of your heart

And I can't pretend  
That it's my fault again  
But you press play at the easy part  
And we all know how it will end  
Oh yeah we all know how this will end

If I fall down at your feet  
Would you still walk out on me  
As I silently retreat  
In the dark I hear you speak  
Am I hot am I cold  
I don't know I don't know  
But I love the sound of your  
I love the sound of your heart

I'm afraid  
That you might just run away  
And your heart beats out like a search light  
And it's calling out my name

I love the sound of your heart (7x)

If I fall down at your feet  
Are you still in love with me  
As I silently retreat  
In the dark I hear you speak

Am I hot am I cold  
I don't know I don't know  
But my heart it fades  
Like a spark in the day  
And the silence tears us apart

I love the sound of your heart  
I love the sound of your heart
