

The Secret Of The Secret

Esoteric

I Ponder Eternity

Longing For The Keys Of Time

To Wrap Me In Their Infinite Knowledge

The Incongruous Symphony Crashes Through The Waves

Of My Thoughts

I Am Not Of Flesh...

When Waves Of Sublime Thought, Coarse Through My Veins

Symbolic Release Of Sorrow

Makes Way For The Impending Vision

I Am Where Space Nor Time Could Not Be

Suddenly...Disembodied...

Lost In The Vortex Of Insanity

(I Am) Quickened By The Poison

Yet Deadened By The Pain

Unable To Breathe, I Release The Beast From Within

No Conscious Thought

Cimmerian Voyage Transcends

Searing Through Endless Planes

Exalted Streams Of Consciousness

Plant Mine Will Into The Seeds Of Time

"Senses, Elucidated

(Visions Of Thought Cast Before Me)

Logic Dictates No Longer

To The Workings Of Time"

Such Nonsensical Truths

Caress My Sumptuous Blood

Envelop Me In This Forbidden Arcanum

I, The Seer Of My Destiny

The Harbinger Of Despair

Slumber Into The Enticement Of Sorrows

Through The Quiescent Halls Of Existence

The Freedom Of Chaos....

The Secret Of The Secret....

The Truth Of The Truth....
