

Monstropolis  
alien nation  
embryonic  
cellular incision  
pick up the pieces  
she is a cow  
are you my friend

needing a vet a friend a bullet for an end  
everything's different its definitely changing

I have these visions I'm not sick in just twisted

its not my fault  
its not your fault  
you made me what I am  
animal animal man

Monstropolis  
split the cell give them hell  
break the rules and use the tools and I'll become a faceless mu  
le  
pick up the pieces to you

I'm just an animal have you forgotten what you are  
I am an animal just like you are  
I can see an animal inside you all  
i am an animal just like you animal  
Manimal man animal
