

Wild Is The Wind

Esperanza Spalding

Love me, love me
Love me say you do
Let me fly away with you
For my love is like the wind

Wild is the wind

Give me more than one chorus
Satisfy this hungriness
For we're creatures of the wind
And wild is the wind

Wild is the wind

You touch me
I hear the sound of mandolins
When you kiss me
With your kiss my life begins

You cling to me
All things to me
Don't you know like life itself

Like a leaf clings to a tree

So my darling cling to me
Let my love flow through you
Wild as the wind

Wild as the wind

As the wind

Wilder than the wind my love is
Wild as the wind

Let my heart love you oh

Wild as the wind

Wild as the wind

Wild creature of the wind
Love me wild again
The wind
