

Dance Bitch

Estelle

Yes Estelle here like you never ever seen before
Oh it's real believe I always leave you wanting more
No, it's really not a game you think I'm playing your
Paid my dues and now I'm 'bout to brake it down for y'all

I don't want to see you sitting down when the beat drops, now
What you doin' leaning on the wall like you ain't hear a sound
If you know what you're working with let me hear your hips start bounce

Let me see you bounce to this
And just rock to this
And go

(Dance bitch)
Just shake it on the floor
Don't stop back it up
Shake a little more
(Dance bitch)
Don't stop now
Throw your hands in the air
Get a little wild with it
(Dance bitch)
Let me see you move your thighs when you sway to the beat
Yeah I know you feel it right
Come on
(Dance bitch)
Come on and get it real hot
When you listen to the hook
And you're waiting for the beat drop

Listen,
I only hung around with bitches
Chicks wanna pose like they're waiting on a picture
Huh, see that base slide under me
When I hear that
See me start rockin it
Yuh, I don't give a f**k about your bling
I'm 'ma shut this shit down like a policing team
Yuh, you see my full moon rising
Gone for nights and days like this note book I write in
Chyup, let me help you with that stress
See you watching tell why you're battering those steps an,
When you're up in the club or raving in your yard
I can see your head bouncing
Pity you're ugly
Natural, buck teeth
Put your drink down and get down on this up beat
Yeah, if you hear this beat swif
From my town to your town
(Dance bitch)

I don't want to see you sitting down when the beat drops, now
What you doin' leaning on the wall like you ain't hear a sound
If you know what you're working with let me hear your hips start bounce

Let me see you bounce to this
And just rock to this

And go

(Dance bitch)

Just shake it on the floor

Don't stop back it up

Shake a little more

(Dance bitch)

Don't stop now

Throw your hands in the air

Get a little wild with it

(Dance bitch)

Let me see you move your thighs when you sway to the beat

Yeah I know you feel it right

Come on

(Dance bitch)

Come on and get it real hot

When you listen to the hook

And you're waiting for the beat drop

I don't want to see you sitting down when the beat drops, now

I don't want to see you sitting down when the beat drops, now

(Dance bitch) (8x)
