

# Fall In Love

Estelle

let's just fall in love  
(ooh ooh)  
So we could fall in love  
(ba ba ba ba ba ba)

We could fall in love  
(ba ba ba ba ba ba)  
We could fall in love  
(ba ba ba ba ba ba)

Be on the stars and the moon  
And the sky let's fall in love

I see you know you see me too  
'cause you're slowing down  
Put some extra pep in my step  
Now i'm trying to be cool  
Make you turn around and check me out

We walk by each other daily  
But something 'bout today said maybe  
The street signs the city lights  
All the stars could lead me to you

And you know  
If it's okay with you let's go  
Go to some place that we don't know  
Don't need a reason baby  
We might be crazy

I'm thinking we should fall in love  
(ba ba ba ba ba ba)  
We could fall in love  
(ba ba ba ba ba ba)

We could fall in love  
(ba ba ba ba ba ba)  
Be on the stars and the moon and the sky  
Just fall in love

Let's go slow  
We got all the time we could ever need

We can catch a movie and possibly  
We can get together more frequently

I can't believe it  
We walk by each other daily  
But something 'bout today said maybe  
The street signs the city lights  
All the stars could lead me to you

And you know  
If it's okay with you let's go  
Go to some place that we don't know  
Don't need a reason baby  
We might be crazy

I'm thinking we should fall in love  
(ba ba ba ba ba ba)  
We could fall in love  
(ba ba ba ba ba ba)

We could fall in love  
(ba ba ba ba ba ba)  
Be on the stars and the moon and the sky  
Just fall in love

And you know  
If it's okay with you let's go  
Go to some place that we don't know  
Don't need a reason baby  
We might be crazy

I'm thinking we should fall in love  
(ba ba ba ba ba ba)  
We could fall in love  
(ba ba ba ba ba ba)

We could fall in love  
(ba ba ba ba ba ba)  
Be on the stars and the moon and the sky  
Just fall in love
