I hope that I can fill in where they lose
Been tryna tell you since I really met you
'Cause I've been thinkin' 'bout lovin' on you

Don't bother with that, you ain't a Come true
So we could cut the check

(Meet up) You pick the time, send your location now so we can
(Meet up) I need your love, baby I want it now-now-now, eh
(Meet up) I'm on my way, I tryna waste no time no-no-no
