

# Thank You

Estelle

Sometimes I wonder do you  
Even recognize the woman  
That's standing in front of you, listen

Sometimes I wonder do you  
Even care or realize why I took care of you  
'Cuz you're my heart  
You are my soul  
You're my other half  
Without you I can not be whole baby  
So far apart  
I just don't know  
What drove us apart in the first place  
Now I know baby why

These tears I cry sure won't be the last  
They will not be the last, no  
This pain inside never seems to pass  
It never seems to pass me by

So I thank you  
Said I thank you  
Yes I thank you  
For making me a woman

Sometimes I wonder could she be  
More of a woman to you than you were a man to me, listen  
Sometimes I wonder why me  
I'm here miserable while you're out living your fantasies  
And didn't care

'Cuz you're my heart  
You are my soul  
You're my other half  
Without you I can not be whole baby  
So far apart  
I just don't know  
What drove us apart in the first place  
Now I know baby why

These tears I cry sure won't be the last  
They will not be the last, no  
This pain inside never seems to pass  
It never seems to pass me by

So I thank you  
Said I thank you  
Yes I thank you  
For making me a woman

One thing I learned in life, that is  
Gotta be ready to sacrifice to survive  
I hope she's happy  
'Cuz you're the chapter that I'll be closing  
Hope you're happy  
'Cuz once my door closes it won't be open

These tears I cry sure won't be the last  
They will not be the last, no  
This pain inside never seems to pass  
It never seems to pass me by

So I thank you  
Said I thank you  
Yes I thank you  
For making me a woman
