Bam Bam Bam  
Get on the dope train  
Fuck with the man  
Your fuckin the wrong thang

Your girl so cute  
But on she so lame  
That pussy ain't shit  
Without a gold chain

You go straight broke  
Driving in that lane  
You need a hood rich bitch  
Sexy young thang  
And one for the road  
I'll say it slow

You need a hood rich bitch  
Sexy young thang  
Now  
Make the booty bam  
Like the speakers in your car  
Some girls like it soft  
But fuck em I like it hard

So grab me up and take it  
Can take it cause you in charge  
You can come in through the front  
Or fuck it the backyard

Yea Yea  
I said that  
If you get offended  
Then oh well  
It's like that  
While your steady growling  
Just know that  
I bite back  
Cause yeah you like that  
When it's over  
Keep your loving but gimme that black card

Bam Bam Bam  
Make your booty go bam  
Bam Bam Bam  
Make your booty go bam  
Bam Bam Bam  
Make your booty go bam  
Bam Bam Bam  
Make your booty go bam  
Make your booty go bam  
Make your booty go bam

We ain't got all right  
So what shall it be  
Let me break it down  
Steak or ground beef

If it's me you want  
It's all you can eat  
Cherry on the meat is so sweet  
Chow down baby  
Pace yourself please  
Face down in it  
Bon appetit  
Been to long so let me repeat  
You need a hood rich bitch  
Someone like me now

Make the booty bam  
Like the speakers in your car  
Some girls like it soft  
But fuck em I like it hard  
So grab me up and take it  
Can take it cause you in charge

You can come in through the front  
Or fuck it the backyard  
Yea Yea  
I said that  
If you get offended  
Then oh well  
It's like that  
While your steady growling  
Just know that  
I bite back  
Cause yeah you like that  
When it's over  
Keep your loving but gimme that black card
