

# Don't Throw Us Away

Ester Dean

In a perfect world  
I would still be your girl  
In a perfect dream  
You would still be with me

But nothing's perfect cus I'm still hurtin  
Here I am all alone with a broken heart  
Heart...

I don't wanna do it  
I just can't go through it  
I don't wanna throw us away  
I love you, let me prove it  
I know that if you knew it  
You wouldn't wanna throw this away

(Don't throw this away)  
Don't throw it all away  
Don't throw it all away  
(Don't throw this away)  
Don't throw it all away  
Don't throw it all away

Boy why you're guarding your heart  
When it's safer with me  
Without you I'm in the dark, yea  
I need your love just to see

But nothing's perfect cus I'm still hurtin  
Here I am all alone with a broken heart  
Heart...

I don't wanna do it  
I just can't go through it  
I don't wanna throw us away  
I love you, let me prove it  
I know that if you knew it  
You wouldn't wanna throw this away

(Don't throw this away)  
Don't throw it all away  
Don't throw it all away  
(Don't throw this away)  
Don't throw it all away  
Don't throw it all away

(Don't throw this away)  
Don't throw it all away  
Don't throw it all away  
(Don't throw this away)  
Don't throw it all away  
Don't throw it all away

I don't mean there's nothing that I could say to you  
I see it in your eyes, yea baby we're through  
But even if I would say  
Don't throw us away

Don't throw us away

I don't wanna do it  
I just can't go through it  
I don't wanna throw us away  
I love you, let me prove it  
I know that if you knew it  
You wouldn't wanna throw this away

(Don't throw this away)  
Don't throw it all away  
Don't throw it all away  
(Don't throw this away)  
Don't throw it all away  
Don't throw it all away

(Don't throw this away)  
Don't throw it all away  
Don't throw it all away  
(Don't throw this away)  
Don't throw it all away  
Don't throw it all away
