

Gimme Money

Ester Dean

Ayo Ester, never been a guesser
But I bet my bottom dollar,
Bitches under pressure
Moved out to LA, now it's like I sell yay
Money so offensive, niggas call me Elway

You wanna
Gimme money, gi-gimme money. Gimme money
I'd rather have your time, time
I'd rather spend your time, time
You can't
Gimme money, gi-gimme money. Gimme money
I'd rather have your time, time
'Cause I got mine, mine

Sit down, let me buy you a drink, boy (Na na na)
You've never seen a chick like me, boy (Na na na)
Your money ain't a thing I need, boy (Na na na)
I bought the new crib, keep the rent, boy (Na na na)

I can have what I want, I can buy what I want
All I need is your attention
I can have anything that I want
But I just want you

You wanna
Gimme money, gi-gimme money. Gimme money
I'd rather have your time, time
I'd rather spend your time, time
You can't
Gimme money, gi-gimme money. Gimme money
I'd rather have your time, time
'Cause I got mine, mine

Your money can't buy everything, boy (Na na na)
I need your lobe more than a ring, boy (Na na na)
Yeah, I like nice things, that's the icing (Na na na)
But you gotta give me more and make me your girl (Na na na)

I can have what I want, I can buy what I want
All I need is your attention
I can have anything that I want
But I just want you

You wanna
Gimme money, gi-gimme money. Gimme money
I'd rather have your time, time
I'd rather spend your time, time
You can't
Gimme money, gi-gimme money. Gimme money
I'd rather have your time, time
'Cause I got mine, mine

Ayo Ester, never been a guesser
But I bet my bottom dollar,
Bitches under pressure
Moved out to LA, now it's like I sell yay

Money so offensive, niggas call me Elway
If I needed money, I would be up in the bank
The crib got exotic fishes in the tank
The 24 gold karat, dishes in the sank
Them bum bitches just be taking pictures when they plank
You wanna gimme money, gimme money, gimme money uhh
I'm up in Hong Kong rocking Shojono Tomo
Lobster, sushi rolls with a side of soy sauce
Chopsticks, you know we don't give a fork

You wanna
Gimme money, gi-gimme money. Gimme money
I'd rather have your time, time
I'd rather spend your time, time
You can't
Gimme money, gi-gimme money. Gimme money
I'd rather have your time, time
'Cause I got mine, mine
All on me
