

Invincible

Ester Dean

Voices in the air
I hear 'em loud and clear
Telling me to listen
Whispers in my ear
Nothing can compare
I just wanna listen

You tell me that, when no good there
I should walk away from you
You want me there, you just break my heart
That you wanna see me cry
But do what I do with... my life
...

I hear voices in the air
I hear it loud and clear
They're telling me to listen
Whispers in my ear
Nothing can compare
I just want to listen
Telling me
I'm invincible Telling me
I'm invincible I am

I hear voices in the air
I hear it loud and clear
They're telling me to listen
Whispers in my ear
Nothing can compare
I just want to listen
Telling me
I'm invincible Telling me
I'm invincible I am

Baby I need to wake up, oh
Baby I need to loose it all
Baby you gotta hurt so bad
I don't wanna let you go

I hear voices in the air
I hear it loud and clear
They're telling me to listen
Whispers in my ear
Nothing can compare
I just want to listen
Telling me
I'm invincible Telling me
I'm invincible I am
