I got a guy and let me tell you he's so fine Girls be like yo baby easy on the eyes I heard it before these girls so bold they talkin bout If you don't want em... I do

You don't know what it's like with him

He ain't like that that when you get him

Cause ooo that boy so cocky like he on everybody

Just cause he paid my bills got me livin up up in the hills

He be talking noise, talking noise, what he say

He said, that it be hard, to leave I told him (yeah right) Without him, it would be hard to breath, I told him (yeah right)

So I got my keys out, boots on, proceeded, to the door Watch me crank the car and leave tire marks in the yard boy He said that it be hard to leave I told him (yeah right)

He tried to control me like my name is effin janet Like he's the only hot guy on this effin planet You might be like I got it made but I swear that You don't know what I... go through

He thought that I would just sit and take it But he had it wrong (ohh)
Like it ain't nothing for me
To go out and find me another one (right)
