

# To The Ends Of The Earth

Esther Ofarim

To the ends of the earth,  
I'll fol-low my star  
To the ends of the earth,  
Just to be where you are  
I'll never be far behind,  
Who cares where the path my wind,  
As long as I find you

Though the Mel-o-dy dies,  
The song lingers on  
and a thousand good-byes  
won't convince me you're gone  
I'll fol-low my love,  
You'll never be free  
To the ends of the earth,  
Till you've given your love to me

[Repeat]
