

To The Ends Of The Earth

Esther Ofarim

To the ends of the earth,
I'll fol-low my star
To the ends of the earth,
Just to be where you are
I'll never be far behind,
Who cares where the path my wind,
As long as I find you

Though the Mel-o-dy dies,
The song lingers on
and a thousand good-byes
won't convince me you're gone
I'll fol-low my love,
You'll never be free
To the ends of the earth,
Till you've given your love to me

[Repeat]
