

Don't Mean A Thing

Esthero

Well don't

Speak to me of love 'cause u don't know the truth
It's too late to say ur sorry just put on ur walking shoes
Oh

Did u
Think I wouldn't notice

Did u think I wouldn't see
Well u could fool me once well shame on you
Fool me twice that's shame on me

'cause I know now... I know now I know now...
It don't mean a thing
I said I know now

It don't mean a thing
A sweet desdamona

Lock away ur fate

Your own hells forsake on you
As I go out ur gate

When the wolves come to take you

I will not be there

Don't look to me to save u
You can drown for all I care
'cause

I know now...
It don't mean a thing
It don't mean a it don't mean a

I said I know now

It don't mean a thing
Don't mean it don't mean it no x2

Well I was living in ur shadow way too long
I was

Frightened of the light
When the walls came down on jericho
Damn those trumpets showed me right

Well don't try so hard 'cause I know what you want
And honey I know
Where you been

Well don't' me I'm wrong
Don't' tell me that you love me
Don't you talk about going again

Now I know
Now I know....
Now I know

It don't mean a thing

Don't mean it don't mean it don't meant it no
Said now I know....

It don't' mean a thing... don't mean a ... don't mean a thing... don't mean
a...
And I now I know...

Oooooh
Don't mean a thing.....
Now you know... now tou now you, now you know.....
