

# I Drive Alone

Esthero

Can't move on  
But I can't go home  
And I'm not so strong  
But I make my way  
To the place I know  
Inside my heart  
Where I used to go  
To get brave and  
I don't want to be lost anymore

Can't move on  
But I can't go home  
And I'm not so strong  
But I make my way  
To the place I know  
Inside my heart  
Where I used to go  
To get brave and  
I don't want to be lost anymore

Gotta find my, gotta find my, gonna find my way back home  
Gotta find my, gotta find my, gonna find my way back home  
Gotta find my, gotta find my, gonna find my way back home  
Gotta find my, gotta find my, gonna find my way back home  
Gotta find my, gotta find my, gonna find my way back home  
Gotta find my, gotta find my, gonna find my way back home  
Gotta find my, gotta find my, gonna find my way back home

I don't know where I go  
But I know I drive alone  
I terribly miss you  
More than you'll ever know  
You've gotta come back somehow  
You've gotta come back somehow

Can't move on  
But I can't go home  
And I'm not so strong  
But I gave my way  
To the place I know  
Inside my heart  
Where I used to go  
To get brave and
