

# Never Gonna Let You Go

Esthero

I don't wanna let you go  
I don't wanna let you go  
No  
No

I don't wanna let you go  
I don't wanna let you go  
No  
No

Baby I don't wanna break your legs  
But I do what I gotta just to make you stay  
And I id hunt ya down you ever run'd away from me

I got a pocket full of medicines  
And a a closet big enough to hide you in  
So come on baby wont you come  
I'm gonna count to three

'Cause  
I don't wanna let you go  
I don't wanna let you go  
No  
No

I don't wanna let you go  
I don't wanna let you go  
No  
No  
So who's that lady I just saw you with  
You say it was your sister but your full of shit  
And I I won't hear another word of it this time  
Not this time  
So let me tell you what we gonna do  
Be true to me baby ill be true to you  
Think fast player cause your life is on the line  
And I don't wanna let you go

'Cause  
I don't wanna let you go  
I don't wanna let you go  
No  
No

I don't wanna let you go  
I don't wanna let you go  
No  
No

Is there a problem, did I hear you right  
You say your handcuffs are a little tight  
What's wrong now, man you used to love this game

You should have listened when I told you to treat me right  
Now you'd be lucky if you make it through the night  
All this work for nothing baby can't you see

Wrap your heart up in my fragile state of mind  
Didn't have to end this way but you told a lie  
And I don't wanna let you  
Go

I don't wanna let you go  
I don't wanna let you go  
No  
No

I don't wanna let you go  
I don't wanna let you go  
No  
No

I don't wanna let you go  
I don't wanna let you go  
No  
No

I don't wanna let you go  
I don't wanna let you go  
No  
No

Oh!
