Eterna

Declared reality
Destroying live 'cuz the evil he keeps...
Killers Damnation!!
Throne of the Old Glory,
Beloved soul was chosen by Him...
Heaven's door are opened to you and me!!

And who would say,
That a suffering soul
Could be escaping from this reality?
And who would suffer
Until the last day,
To give us victory by His pain?

But if you're fighting
The crime won't be shouting...
Happiness in dying,
Every day for the Glory!! (2X)

Disguised reality...
It's from this face that was declared
For too many eyes that I don't want to see!!

And who is watching, you'll see
Nobody lives before Him
Before skies and earth...

And who would say,
That a suffering soul
Could be escaping from this reality?
And who would suffer
Until the last day,
To give us victory by His pain?

But if you're fighting
The crime won't be shouting...
Happiness in dying,
Every day for the Glory!! (2X)

And who would say,
That a suffering soul
Could be escaping from this reality?
And who would suffer
Until the last day,
To give us victory by His pain?

But if you're fighting
The crime won't be shouting...
Happiness in dying,
Every day for the Glory!! (2X)
