

## Fly Away

Eterna

To see Where He lives, I need  
To see what He did, when He  
Looked at me and discerned  
That I had not done anything

Misery, I never understood your  
Destiny. So, come live inside me.  
To destroy the evil that lives  
inside me!

Fly away ... across the skies.  
His whisper in my head.  
Oh! Let my heart in His hands.  
For this time , I will fight!!  
So, one day, in another way.  
I will see much more  
Oh! Than in a thousand years.  
Before the eyes, no lies...

To see wher He lives.  
I can not let the sun  
Or the rain reach his  
Footprints before I do.

Misery, I never ...  
Fly away...
