## **Holy Shadow**

Riding, Walking slowly, keep your sadness. Sleepwalker! Riding, Walking fastly, Keep your madness. Till the end! Killing yourself...and Jesus is our Lord and our Salvior (2x) Tell me all your secrets And let me give you my protection. I just want to put you under a Holy Shadow. Don't be atraid!

Holy Shadow will cover with the grace. And a sweet breeze will change your mind. Like a hurricane coming in your life, With precious blood of an innocent God.

You got to have contriction To receive eternal life. Spit out the demons That still live in your mind. There's no more death for you. Satan's control is ended. Take the wings of mercy And fly high to the sky!

Flying Arriving slowly, By grace is flowing Good strain! Flying Arriving slowly, By grace is flowing Kindness slave! Warning for salvation, Jesus is our Lord and our Savior! Praying for peace... Jesus is our lord and our Savior I'll reveal the mistery, not like the secrets of The lings; To give alms in better than hidden golden And silver treasure.

Holy Shadow will cover with the grace ...

Tell me all your secrets...

## Eterna
