

# I Have The Key

Eterna

...Cuz I have the Key  
I have the Key to learn to live...  
Into crazy trips I've been dying.  
Cocaine makes me cry.  
So why? I have the Key!

But I have the Key.  
Do I provoke the Lord to jealousy?  
Neither all things edify,  
But all is lawful for me...  
So many doubts! Oh, Lord! I have the Key!

I have the Key! I have the have the Key to take the liberty.  
Look in my eyes, I don't want to fall!  
I have the Key and I will never die!

Spiritual misery...  
For this Fight!!!  
I have victory.

If I surrender, I'll not be surprised.  
Cuz he will come... Cuz he will come...  
Come to me!!!

Returning from Heaven!  
He will arrive!  
He will arrive with my Key...Oh, my Lord...

If I surrender, I'll not be surprised.  
Cuz he will come... Cuz he will come...  
Come to me!!! Oh, sweet Jesus!!!

I have the Key! I have the have the Key to take the liberty.  
Look in my eyes, I don't want to fall!  
I have the Key and I will never die!

I have the Key...
