

## Keep Fighting

Eterna

You decided to return to life When you woke up this morning You  
told yourself - i will believe You chose to change

Don't be afraid you're not alone There is a hand that you can h  
old on to You can go on, you're gonna see Your first step to li  
ve a different day

So keep fighting for your life If you're awake in the night Fee  
ling lonely and crying Getting too weak to resist You must be s  
trong and insist Tomorrow will be worth

There are many things to overcome How you're burning all your p  
ast You'll find rocks on the way You know you gotta give your b
