

Sea of Lights

Eterna

I hear the wind that blows.
It's guiding my mind!!
I hear the wind that blows.
It's guiding my soul!!

I am a flying soul
Waiting to lay down.
The waiting is on a course
That flows in my heart!!

Waiting for the guiding lights
That were shown in the sky.
I know the time's come.
Welcome to my eyes!

I know the color's white
The plans of the light...
To live the first love
And taste a new life!!

I'm looking for the sea of lights...
I want to pay my old dues.
I'm looking for the sea of lights...
I'm coming back for you!!

I want...
