

# Angel Of Mine

Eternal

Oh, Angel

When I first saw you I already knew  
There was something inside of you  
Something I thought I'd never find  
Angel of mine

I look at you (looking at you) looking at me  
Now I know why they say the best things are free  
Gonna love you 'til the end of time  
Angel of mine

What you mean to me you'll never know  
Deep inside I need to show

You came into my life sent from above  
Better than a dream, such a perfect love  
And I'll adore you 'til the end of time  
Angel of mine

Woah waoh, angel, yeah, oh

Nothing means more to me than what we share  
No one in this whole world can ever compare  
Last night the way you moved is still on my mind  
Angel, angel, of mine

What you mean to me you'll never know  
Deep inside I need to show

You came into my life (my life) sent from above  
Better than a dream, such a perfect love, perfect love  
And I'll adore you 'til the end of time  
Angel, angel, of mine, of mine  
Angel, oh angel, angel

I never knew I could feel each moment  
As if it were new  
Every breath I take or vow that I make  
I want to share it with you, share it with you

When I first saw you I already knew  
There was something inside of you  
Something I thought I'd never find  
Angel of mine

You came into my life, sent from above, up above baby  
Better than a dream, such a perfect love  
You're such a perfect love  
And I'll adore you 'til the end of time  
Angel of mine

What you mean to me you'll never know  
Deep inside I need to show

I look at you, looking at me  
Now I know why they say the best things are free

Gonna love you 'til the end of time  
Angel of mine
