Oh, Angel

When I first saw you I already knew There was something inside of you Something I thought I'd never find Angel of mine

I look at you (looking at you) looking at me
Now I know why they say the best things are free
Gonna love you 'til the end of time
Angel of mine

What you mean to me you'll never know Deep inside I need to show

You came into my life sent from above Better than a dream, such a perfect love And I'll adore you 'til the end of time Angel of mine

Woah waoh, angel, yeah, oh

Nothing means more to me than what we share No one in this whole world can ever compare Last night the way you moved is still on my mind Angel, angel, of mine

What you mean to me you'll never know Deep inside I need to show

You came into my life (my life) sent from above Better than a dream, such a perfect love, perfect love And I'll adore you 'til the end of time Angel, angel, of mine, of mine Angel, oh angel, angel

I never knew I could feel each moment
As if it were new
Every breath I take or vow that I make
I want to share it with you, share it with you

When I first saw you I already knew There was something inside of you Something I thought I'd never find Angel of mine

You came into my life, sent from above, up above baby Better than a dream, such a perfect love You're such a perfect love And I'll adore you 'til the end of time Angel of mine

What you mean to me you'll never know Deep inside I need to show

I look at you, looking at me Now I know why they say the best things are free Gonna love you 'til the end of time $\ensuremath{\mathsf{Angel}}$ of mine
