

Never Gonna Give You Up

Eternal

All my life it seems my line has been set
And this time I'm gonna play to win
'Coz here you are at my fingertips
Gonna reach right out and pull you in
It doesn't matter what you do
I'm simply gonna make you mine
I could never break the tie
Even though I cry for you
It doesn't matter what they say

I just can't get enough
Never gonna give you up (3x)
It doesn't matter anyway
Never gonna give you up (3x)
I'm never gonna give you up
Never gonna let you go

Never gonna let you go

Never never (4x)
Mama says someday that I'll meet someone
Who will take me away from you
I guess that she just doesn't know about love
There can be no substitute
'Coz what I feel for you is strong
I simply got to make you mine
It doesn't matter what they say
I have waited much too long
I can never let this die
I just can't get enough
It doesn't matter anyway

I'm never gonna give you up
Never gonna let you go
Never gonna give you up (3x)
Never gonna give you up (3x)
Never gonna let you go

Never never
Never never give you up
Never never
Never never give you up

Never, yeah
All this wanting and frustration I feel
I'm sure I'll pay the price
'Coz I know you're worth the sacrifice
But I keep my dreams until I make them real

Never gonna let you go
Never gonna give you up (3x)
Never gonna give you up (3x)
Never gonna let you go
Never gonna give you up
Never gonna (2x)
Never gonna let you go

Never gonna give you up
Never gonna (2x)
Never gonna let you go

Never gonna give you up
