

## All I Could Do Was Cry

Etta James

I heard church bells ringing  
I heard a choir singing  
I saw my love walk down the aisle  
On her finger he placed a ring

Oh, I saw them holding hands  
She was standing there with my man  
I heard them promise "Till death do us part"  
Each word was a pain in my heart

All I could do, all I could do was cry (cry, cry, cry)  
All I could do was cry (cry, cry, cry)  
I was losing the man that I loved  
And all I could do was cry (cry, cry, cry)

Yeah and now the wedding's over  
Rice, rice has been thrown over their heads  
For them life has just begun  
But mine is at an end

All, all I could do, all I could do was cry (cry, cry, cry)  
All I could do was cry (cry, cry, cry)  
I was losing the man that I loved (cry, cry, cry)  
And all I could do was cry (cry, cry, cry)
