## All the Way

**Etta James** 

When somebody loves you It's no good unless he loves you all the way Happy to be near you When you need someone to cheer you all the way

Taller than the tallest tree is That's how it's got to feel Deeper than the deep blue sea is That's how deep it goes

If it's real when somebody needs you It's no good unless he needs you all the way Through the good and lean years And for all those in between years, come what may

Who knows where the road will lead us Only a fool would say But if you let me love you It's for sure I'm gonna love you all the way, all the way

When somebody needs you It's no good unless he needs you all the way Through the good and lean years And for all those in between years, come what may

Who knows where the road will lead us Only a fool would say But if you let me love you It's for sure I'm gonna love you all the way, all the way
