

## Don't Explain

Etta James

Hush now, dont explain  
Just say you'll remain  
I'm glad you're back, don't explain

Quiet, don't explain  
What is there to gain?  
Skip that lipstick  
Don't explain

You know that I love you  
And what love endures  
All my thoughts are of you  
For I'm so completely yours

Cry to hear folks talk  
And I know you'll cheat  
Right or wrong, don't matter  
When you're with me, sweet

Hush, don't explain  
You're my joy and pain  
My life's yours love  
Dont explain

You know that I love you  
And what love endures  
All my thoughts are of you  
For I'm so completely yours

Cry to hear folks chatter  
And I know you'll cheat  
Right or wrong, don't matter  
When you're with me, sweet

Hush, don't explain  
You're my joy and pain  
My life's yours love  
Don't explain
