

Don't Explain

Etta James

Hush now, dont explain
Just say you'll remain
I'm glad you're back, don't explain

Quiet, don't explain
What is there to gain?
Skip that lipstick
Don't explain

You know that I love you
And what love endures
All my thoughts are of you
For I'm so completely yours

Cry to hear folks talk
And I know you'll cheat
Right or wrong, don't matter
When you're with me, sweet

Hush, don't explain
You're my joy and pain
My life's yours love
Dont explain

You know that I love you
And what love endures
All my thoughts are of you
For I'm so completely yours

Cry to hear folks chatter
And I know you'll cheat
Right or wrong, don't matter
When you're with me, sweet

Hush, don't explain
You're my joy and pain
My life's yours love
Don't explain
