## **Don't Explain**

## **Etta James**

Hush now, dont explain
Just say you'll remain
I'm glad you're back, don't explain

Quiet, don't explain What is there to gain? Skip that lipstick Don't explain

You know that I love you
And what love endures
All my thoughts are of you
For I'm so completely yours

Cry to hear folks talk
And I know you'll cheat
Right or wrong, don't matter
When you're with me, sweet

Hush, don't explain You're my joy and pain My life's yours love Dont explain

You know that I love you
And what love endures
All my thoughts are of you
For I'm so completely yours

Cry to hear folks chatter And I know you'll cheat Right or wrong, don't matter When you're with me, sweet

Hush, don't explain You're my joy and pain My life's yours love Don't explain
