Don't Worry 'bout Me

Etta James

Don't worry 'bout me I'll get along Forget about me Just be happy my love

Let's say that our little show is over And so the story ends Why not call it a day the sensible way And still be friends

Look out for yourself
That should be the rule
Give your heart and your love
To whomever you love
Darlin' don't be a fool

Why do we cling to this old faded thing That used to be So if you can forget Then don't worry 'bout me

Why should we cling to some old faded thing That used to be So if you can forget Then you don't worry 'bout me
