

# Down Home Blues

Etta James

She said "Your party's jumpin' and ev'rybody's havin' a  
good time  
Now you know what's goin' through my mind  
Do you mind if I get comfortable and kick of these  
shoes  
While you're fixin' me a drink  
Play me some o' them down home blues"

She say "I don't get out much on the town  
And you know I done cut out a lot of that runnin'  
around  
All week long I've been keepin' my cool  
But tonight I'm gonna let my hair down  
And get down with these down home blues"

Down home blues (down home blues)  
Down home blues (down home blues)  
All she wanted to hear was some down home blues  
All night long, ev'ry other record or two  
She said "Take off those fast records  
And let me hear some down home blues"

She say "You know my ol' man is gonna wanna fight  
He calls ev'ry hour I'll be gettin in tonight  
But I don't care, tonight I'm gonna do as I choose  
I'm gonna lay my head back  
And party off these down home blues"
