Fire

Fire Fire Fire I'm on fire Fire Fire Fire Lord you set me on fire Your touch is all it takes baby to start the fire in me You the one who can turn me on like a tv When you look at me baby you know my lips cant speak Like a cube of ice on a red hot stove i melt from your burning heat. I'm on fire Fire Fire Oh I'm on fire Fire Fire Fire Lord you set me on fire When you talk that sweet talk i burn like water on fire When you kiss my lips boy, burn like a read hot wire. Fire Fire Fire Lord I'm on fire You make my body shiver boy You make my head go bad You make my liver quiver babe Make my eyes get red My knees get weak when i see you Your love is much to strong And when you take me in your arms you know tommorow is my home. I said fire Fire Fire I'm on fire I siad fire oh yeah I said fire child You light me on fire boy Like im burning yeah
