

# Good Rockin' Daddy

Etta James

You can really go go go  
Jumpin' fast or rockin slow  
I will see ya when the band gone blow  
Now hold it, don't move it  
Now boogie some more

You're a good rockin' daddy  
Yeah well you're a good rockin daddy  
Come on now...  
Up on your feet you cant be beat  
You're a good rockin daddy

I told the girls all to come and see  
Just what the sandman  
Brought to me  
They stood around with a great big smile  
And when you start to rock n roll  
They all went wild

You're a good rockin' daddy  
Yeah well you're a good rockin daddy  
Come on now...  
Up on your feet you cant be beat  
You're a good rockin daddy

Well Ill hold you close and Ill hold you tight  
You'll rock n roll from left to right  
round and round and round we go  
Rest awhile and well boogie some more

You're a good rockin' daddy  
Yeah well you're a good rockin daddy  
Come on now...  
Up on your feet you cant be beat  
You're a good rockin daddy

Good rockin' daddy  
Good rockin'' daddy  
Good rockin daddy  
Good rockin' daddy
