

## Have a Little Faith in Me

Etta James

When the road gets dark  
And you can no longer see  
Just let my love throw a spark  
And have a little faith in me

And when the tears you cry  
Are all you can believe  
Just give these loving arms a try  
And have a little faith in me  
And

R: Have a little faith in me  
Have a little faith in me  
Have a little faith in me  
Have a little faith in me

When your secret heart  
Cannot speak so easily  
Come here darlin  
From a whisper start  
To have a little faith in me

And when your backs against the wall  
Just turn around and you will see  
I will catch, I will catch your fall baby  
Just have a little faith in me

R:

Well, Ive been loving you for such a long time girl  
Expecting nothing in return  
Just for you to have a little faith in me  
You see time, time is our friend  
cause for us there is no end  
And all you gotta do is have a little faith in me  
I said I will hold you up, I will hold you up  
Your love gives me strength enough  
So have a little faith in me
