

# I've Got Dreams To Remember

Etta James

I've got dreams  
Dreams to remember  
I've got dreams Dreams to remember

Honey I saw you there last night  
Another womans arms holding you tight  
Nobody knows what I feeled inside  
All I know, I walked away and cried

I've got dreams  
Dreams to remember  
I've got dreams, rough dreams Dreams to remember

I know you said she was just your friend  
But I saw you kiss her again and again  
These eyes of mine, they don't fool me  
Why did she hold you so tenderly?

I've got dreams  
Dreams to remember  
I've got dreams  
Dreams, rough dreams  
Dreams to remember

I still want you to stay  
I still love you anyway, anyway  
I don't want you to ever leave  
Before you satisfy me! [Ooh-Wee!]

I know you said she was just a friend  
But I saw you kiss her again and again, again  
These eyes of mine, they don't fool me  
Why did she hold you so tenderly?

I've got dreams  
Dreams to remember  
I've got dreams  
Dreams, bad dreams  
Dreams, rough dreams  
To remember  
Don't make me suffer  
Dreams, bad dreams  
Dreams, rough dreams  
To remember
