

# If I Can't Have You

Etta James

I don't want nobody  
If I can't have you  
Oh I can't love nobody  
Unless I'm loving you

R: The way you hug me  
The way you squeeze me  
The way you kiss me  
Ya ya ya ya ya ya ya ya  
If I can't have you

I can't talk to nobody  
Unless I'm talking to you  
I don't wanna hold nobody  
Unless I'm holding you

R:

I can't be kissing nobody  
Unless I'm kissing you  
I just don't... I just don't...  
I just don't want to be bothered with nobody  
Unless I'm bothered with you
