

## In the Evening

Etta James

In the evening, I say in the evening  
Baby, when the sun goes down  
Ah, in the evening, baby, when the sun  
When the sun goes down

Baby, when the sun goes down  
When your good lover is not around  
And when the sun goes down

Last night I lay a-sleeping  
I was just thinking, I was just thinking, thinking to myself  
Last night, last night, I lay a-sleeping  
I was just thinking, thinking to myself

Yeah, and uh, how in the world can somebody  
Mistreat you for somebody else  
Oh, and when the sun, when the sun goes down

Yeah

The sun rises in the east, way in the east  
And it sets out, sets out in the west  
Ah, and the sun rises, rises in the east  
And it sets out, sets out in the west, yeah, yeah

Now listen

And ain't it hard, ain't it hard to tell  
Which one, which one will treat you the best  
Oh, oh, when the sun goes down  
When the sun goes down
