

## Love Letters

Etta James

Love letters straight from your heart  
Keep us so near while apart.  
I'm not alone in the night  
When I can have all the love you write.

I memorize every line,  
I kiss the name that you sign.  
And darling, then I read again  
Right from the start,  
Love letters straight from your heart.

I memorize every line,  
I kiss the name that you sign.  
And darling, then I read again  
Right from the start,  
Love letters straight from your heart.

Love letters straight from your heart.  
Love letters, love letters  
Love letters straight from your heart.
