

My Dearest Darling

Etta James

All I need
Is someone like you
My Dearest Darling
Please~love me to
Within my heart
I pray your answer's yes
I'll make your life
Full of happiness

I'll be there by your side
Oh, I pledge my love to you
With God as our guide.

Unh~My Dearest Darling
I offer you my heart

Oh, yeah whenever you need me
I'll.I'll be there by your side
Oh~I pledge my love to you
With God as our guide

Oh nothing, nothing, nothing in this world
Can keep us apart
Unh~ My Dearest Darling
I'm offering you my heart

Unh~My Dearest Darling...
