It's cost me a lot But there's one thing that I've got It's my man Cold and wet, tired you bet But all that I soon forget With my man He's not much for looks And no hero out of books Is my man Two or three girls has he That he likes as well as me But I love him! I don't know why I should He isn't good, he isn't true He beats me too What can I do?

Oh, my man I love him so
He'll never know
All my life is just despair
But I don't care
When he takes me in his arms
The world is bright, all right
What's the difference if I say
I'll go away, When I know
I'll come back on my knees some day?
For whatever my man is
I am his forever more
Oh, my man I love him

Sometimes I say
If I could just get away
With my man
He'd go straight sure as fate
For it never is too late
For a man
I just like to dream
Of a cottage by a stream
With my man
Where a few flowers grew
And perhaps a kid or two
Like my man
And then my eyes get wet
I most forget till he gets hot
And tells me not to talk such rot

Oh, my man I love him so
He'll never know
All my life is just despair
But I don't care
When he takes me in his arms
The world is bright, all right
What's the difference if I say
I'll go away, When I know
I'll come back on my knees some day?
For what ever my man is
I'stanohiss for ever more
