

My Old Flame

Etta James

My old flame
I can't even think of his name
But it's funny now and then
How my thoughts go flashing back again
To my old flame
My old flame
My new lovers all seem so tame
For I haven't met a gent

So innocent or elegant
As my old flame

I've met so many men
With fascinating ways
A fascinating gaze in their eyes
Some who sent me up to the skies
But their attempts at love
Were only imitations of
My old flame
I can't even think of his name
But I'll never be the same
Until I discover what became
Of my old flame

I've met so many men
With fascinating ways
A fascinating gaze in their eyes
Some who sent me up to the skies
But their attempts at love
Were only imitations of
My old flame
I can't even think of his name
But I'll never be the same
Until I discover what became
Of my old flame
