## **Night and Day**

**Etta James** 

Night and day, you are the one Only you beneath the moon and under the sun Whether near me or far It's no matter, darling, where you are I think of you night and day, day and night

Why is it so that this longing for you Follows wherever I go? In the roaring traffic's boom In the silence of my lonely room I think of you night and day

Night and day, under the hide of me There's an, oh, such a hungry yearning Burning inside of me And its torment won't be through 'Til you spent my life making love to you Night and day, day and night

Night and day, under the hide of me There's an, oh, such a hungry yearning Burning inside of me And its torment won't be through 'Til you let me spent my life making love to you Day and night, night and day
