

# Seven Day Fool

Etta James

And on a Monday, I'm gonna love ya  
And on a Tuesday, I'm gonna hug ya  
And on a Wednesday, Thursday,  
Friday, Saturday, Sunday, gonna love ya

I work for you baby, work my hand to the bone  
Care for you, baby, till the cows come home  
Do for you, baby, for the love that I seek  
Slave for you, baby, every day of the week

(And on a Monday) scrub your dirty floor  
(On a Tuesday) I do a whole lot more  
(On a Wednesday) I wash your dirty clothes  
To have a little lovin' 'fore the weekend goes

And I'll be (I'll be), your seven-day fool  
And I'll be (I'll be), your seven-day fool  
And I'll be (I'll be), your seven-day fool  
Only because I really love you

And on a Monday, I'm gonna love ya  
And on a Tuesday, I'm gonna hug ya  
And on a Wednesday, Thursday,  
Friday, Saturday, Sunday, gonna love ya

I work for you baby, work my hand to the bone  
Care for you, baby, till the cows come home  
Do for you, baby, for the love that I seek  
Slave for you, baby, every day of the week

(And on a Thursday) I'll treat you oh so kind  
(And on a Friday) I'll take you out to dine  
(And on a Saturday) I'll work double time  
If you'll only say you're be mine

And I'll be (I'll be), your seven-day fool  
And I'll be (I'll be), your seven-day fool  
And I'll be (I'll be), your seven-day fool  
Only because I really love you

(On a Monday) ya ya I'm gonna love ya  
(Tuesday) oh I'm gonna hug ya  
(Wednesday, Thursday, Friday, Saturday)  
oh give me all of that love

(And on a Monday) I scrub your dirty floor  
(On a Tuesday) I do a whole lot more  
(On a Wednesday) I wash your dirty clothes  
To have a little lovin' 'fore the weekend goes

And I'll be (I'll be), your seven-day fool  
And I'll be (I'll be), your seven-day fool  
And I'll be (I'll be), your seven-day fool  
Only because I really love you
