## **Etta James**

You've changed
The sparkle in your eyes is gone
Your smile is just a careless yawn
You're breaking my heart
You've changed

You've changed Your kisses are so blase You're bored with me in every way I can't understand You've changed

You've forgotten the words, 'I love you' Each memory that we've shared You've ignored every star up above you I can't realize you ever cared

Oh, you've changed
You're not the angel I once knew
Oh, no need to tell me that we're through, babe
It is all over now
You've changed

Oh baby, you've changed
You're not the angel I once knew
Oh, no need to tell me that we're through, babe
It is all over now
You've changed

Oh said,
