

Be My Love

Etta Jones

Be my love
For no one else can end this yearning
This need that you and you alone create
Just fill my arms the way you've filled my dreams
The dreams that you inspire with every sweet desire

Be my love
And with your kisses set me burning
One kiss is all I need to seal my fate
Then hand in hand we'll find love's promised land
There'll be no one but you for me eternally
If you will be my love

Be my love
For no one else can end this yearning
This need that you and you alone create
Just fill my arms the way you've filled my dreams
The dreams that you inspire with every sweet desire

Be my love
And with your kisses set me on fire
One kiss is all I need to seal my fate
Then hand in hand we'll find love's promised land
There'll be no one but you for me eternally
Oh, if you will be my love

Be my love
For no one else can end this yearning
This need that you and you alone create
Just fill my arms the way you've filled my dreams
The dreams that you inspire with every sweet desire

Be my love
And with your kisses set me burning
One kiss is all I need to seal my fate
Then hand in hand we'll find love's promised land
There'll be no one but you for me eternally
Oh, if you will be my love
