

I'm Through With Love

Etta Jones

I'm through with love, I'll never fall again
Said adieu to love, don't ever call again
For I must have you or no one
And so I'm through with love

I've locked my heart, I'll keep my feelings there
I have stocked my heart with icy Frigidaire
For I'll need to care for no one
Because I'm through with love

Why did you lead me to think you could care
You didn't need me for you had your share
Of slaves around you to hound you and swear
With deep emotion, devotion to you

Goodbye to spring and all it meant to me
It can never bring the thing that used to be
For I must have you or no one
And so I'm through with love

Why did you lead me to think you could care
You didn't need me for you had your share
Of slaves around you to hound you and swear
With deep emotion, devotion to you

Goodbye to spring and all it meant to me
It can never, never bring the thing that used to be
For I must have you or no one
And so I'm through with love
